

— POSITIVE ENERGY —
SCHOLAR
— OGE —

Each year, the OGE Energy Corp. Foundation offers **four-year scholarships** for up to **\$15,000** each year, totaling **\$60,000** to **three deserving high school seniors.**

“OG&E is honored to play a role in the continued education of outstanding students in the communities we serve. These scholarships help strengthen the future workforce and empower the next generation of leaders in Oklahoma and Arkansas.” **-Sean Trauschke**, OGE Energy Corp. Chairman, President & CEO

To be eligible for a Positive Energy Scholarship, students must:

- Be a graduating high school senior from the OG&E service area in Oklahoma or western Arkansas;
- Attend college in Oklahoma or Arkansas;
- Have an unweighted cumulative GPA greater than or equal to 3.25;
- Receive an ACT score of greater than or equal to 25 and/or SAT score greater than or equal to 1200.

 To see the **current application window** and get **additional information** about the OGE Positive Energy Scholarship, visit OGE.com/education

The scholarship places preference on students pursuing a career in an energy-related field. Students in need of financial aid will also be given preference.
