Hello,

I am happy to announce we will be opening a branch of the Priscilla Frix Scholarship **exclusively for Hilldale High School Seniors**. The amount and quantity of awards will be based on quality and number of applicants.

I have attached the scholarship application. We have tried to make the application as condense as possible. This scholarship is somewhat unique, as it will be given to the student and not the College or University.

Could you help me share this opportunity and attached application with the senior class?

Also, for the other high schools in which we award scholarships - we are able to announce the recipients at their **senior assembly**. I was hoping to find out more information on this as well ?

Thank you,

Avery Frix

Pricilla Frix Memorial Scholarship

March 02, 2015

The family of Pricilla Frix is offering for the first time a Hilldale branch of the Pricilla Frix Memorial Scholarship. The amount and quantity of awards will be based on quality and number of applicants. Avery Frix, family spokesperson, states that the scholarship is somewhat unique as it will be given to the student and NOT the college or university. It is hoped that Hilldale seniors will take advantage of this new scholarship opportunity and apply. The guidelines may be obtained from Mrs. Moore or Coach Shanks.

Pricilla Frix Memorial Scholarship

In honor of the life and legacy of Pricilla Frix

Awarded to Hilldale High School Students who are determined, despite many obstacles, to pursue education.

Deadline: April 13, 2015
